How to Dwell in The Secret Place of The Most High Where You Are Always Safe!

## **Welcome!**

Hello, it's Marty Dow here welcoming you to a perfect plan for your safety and protection.

Right after 9/11, the atmosphere was filled with fear. People all over the world were horrified by the destruction and death caused by the terrorist attack on New York. No one felt safe.

One morning as I was praying and asking God for a message of peace and safety, I was reminded of Psalm 91 and the promise of protection to those who dwelt in the Secret Place of the Most High. Words began to flow into my spirit and out of my pen, as I recorded the modern version of this famous scripture. Quickly the meditation, exalted words, and suggestions for how to stay in God's sacred place came into my mind.

I have put them together in this e-book and online e-course for your inspiration and spiritual growth. I hope these words will benefit you in the same way they have inspired me.

Enjoy,

Rev. Marty Dow

## Modern Day Version of Psalms 91

I dwell in the secret place of the Most High (The Eternal Presence of Almighty God, The I AM Presence), therefore I remain stable and unmoved while I rest (cease from my own personal effort) under the shadow of the Almighty (the most powerful force in the world).

I will say of my God, "You are my secure foundation and my place of safe haven. In you do I rely and place my complete and unshakable trust."

"For you WILL foil the plans of the evil ones and make harmless any form of deadly poison to which I might be exposed. You will surround me with your force field of protection, and in your everlasting radiance, I will find safety."

"Your Truth (the good and perfect will of God) and the unbreakable power of your promises are my shield and protective armor. I WILL NOT be afraid, now or ever, of the terror of the night or the evil plots and threats of wicked people that fly across the airways. Nor will I fear biochemical weapons or terrorists' acts that strike at noonday."

"Even if I hear reports of a thousand or even ten thousand deaths, I will NOT be afraid of danger; for I dwell in your protection, and I know it will not come near me. I will only observe these hideous events from the protection of the secret place of the Most High, knowing that God is in charge and that all destructive and evil energies will soon be transmuted by the power of God's love and light."

"Because I constantly, without interruption, dwell in the consciousness of God's will for my safety and protection, NO evil will befall me (I am always safe) and NO destruction will come near my home, family or business."

God will dispatch angels to take charge over me. They will accompany me, defend me and protect me in all that I do. They will ensure that my travels are smooth and that I will not even stub my toe! I will walk safely among wild animals and poisonous snakes. Nothing can harm me, for I am under the protection of the Most High God."

Because I love Him, God has promised to set me on high ground (exalt my position in life).

And because I know and understand the power of the Divine Names (God as healer, protector, peacemaker, provider, savior and champion) and trust completely in the faithfulness of God to fulfill the Divine Promises, I will never be without the favor of God in my life.

God has promised to answer my prayers, to be with me in times of trouble, to deliver me, honor me and satisfy me with long life, and show me salvation (healing, prosperity, safety, deliverance, and redemption from destruction).

God never breaks a promise; therefore, I AM always safe!

## **18 Things You Can Do In Order To Dwell In the Secret Place of the Most High**

In today's world, controlling your thoughts, feelings and imagination can be a matter of life and death. I do not say this to scare you but to tell you there is nothing more important than spending time and energy connecting to the Power and Presence of God.

Below you will find several simple techniques you can do to stay connected to God. I wish I could do them for you, but you must discipline yourself. If it takes so little effort and the rewards are so great, why wouldn't you make these simple steps a part of your daily life?

1. Choose to turn your attention toward the Power of God, the Promises of God and the Good Will of God.
2. Come to know God intimately, experientially and personally.
3. Understand that God wants to protect, bless, prosper and heal you.
4. Understand your relationship to God as a parent who loves you and wants only the best for you.
5. Know that the Presence of God dwells in you.
6. Recognize that you are one with God; and all that God has belongs to you.
7. Daily connect to the Presence of God in both thought and feeling.
8. Think high thoughts of praise, worship and thanksgiving.
9. Don't simply ask God for protection. Instead, accept the promise of protection God has already given to you.
10. Activate this promise of protection by believing that it is true and looking to God as your safe haven.
11. Think the thoughts of God. You can find them in inspirational scriptures.
12. Turn away from the thoughts of the world. The world's thoughts are in everyday conversations and on the news reports.
13. Meditate on the Presence of God in you.
14. Use your imagination, the doorway into the Spirit realm, to experience the light of God that dwells in your inner most being.

15. See this light flowing out into your life and world, protecting, prospering and healing you.
16. Let your thoughts be so filled with the thoughts of God's promises of protection that you have no room for fear thoughts.
17. Let your words be so full of affirmations of God's good will for you that there is no place for statements of lack and fear.
18. Let your daydreams be only of the power of God protecting you and your family so that you never entertain thoughts of destruction.

## **A Meditation For Your Protection**

Close your eyes and imagine that you can sense the light of God that dwells within you.

Experience it in as many ways as possible. See it, feel it. Give it a color. Maybe hear sounds or music associated with this Diving Presence within you.

Imagine that this light is growing brighter and brighter, larger and larger until it encompasses your entire being, mind and body.

Imagine that this light is bringing peace to your emotions, relaxation and healing to your body, stillness to your mind.

Sense your thoughts slowing down as the peace of God occupies your focus.

Imagine that you are rising up into the Secret Place of the Most High. Imagine that this place is filled with light and power. The atmosphere is rarified and pure. Experience the clarity and joy of this energy field that surrounds you.

I am going to lead you through several affirmations. Please repeat them three times silently or aloud.

Spend time praising God or just sitting in quiet assurance of your oneness with God. When you are ready combine these images with the feeling of joy and let them go.
